NOW AVAILABLE
3D LOGO PRINTING!

full colour print

3D Logo-Print (3DLP)

If making an impact is important then your go-to choice must be our new '3D Logo-Print'. This new printing technique can be applied to our Carnival, Carnival Plus and Bling Notebooks and will raise your logo to the next dimension. The logo is actually printed in 3 dimensions which raises it off the cover of the notebook creating both visual and physical impact and appeal.

Imprint method: 3D Logo-Print
Imprint area: 35mm x 80mm wide

The Inverter Umbrella with J Handle (U61)
The Inverter Umbrella with C Handle (U62)

At long last, an umbrella with a real difference. The Inverter Umbrella is designed to open and close inwards, making it easy to get in and out of your car in the rain. This unique opening method also traps the water on the inside of the canopy, keeping both you and your car dry. Inverter is available with a choice of 2 handles, the innovative 'C' handle is designed to keep your hand free while still holding the umbrella in place while the stylish 'J' handle allows you to hang the umbrella over your arm. The 'C' handle version is also capable of standing upright by itself allowing the water to drain from the canopy. Made from double layered premium grade 190T Pongee with fibreglass ribs, this 8 panel umbrella is guaranteed to be a hit.
