In-House Flysheet
Only For J16, J56, J58 and J82

## Artwork requirements:

Format:
- Any important data should be at least 5mm away from the cut-line
- Artwork should be supplied as Vectors where possible.
- Raster graphics should be high resolution at minimum 300dpi CMYK.
- Suitable file formats are AI, EPS or PDF.
- All linked files should be embedded within.

Colour:
- All colours to be supplied as CMYK to avoid discrepancies by Pantone or RGB colour conversion.

Text:
- All text should be converted to curves/outlines.
