Artwork requirements for Designa Notebook

Format:
- Artwork should be supplied as Vectors where possible.
- Raster graphics should be high resolution at minimum 300dpi CMYK.
- Suitable file formats are AI, EPS or PDF.
- All linked files should be embedded within.

Colour:
- All colours to be supplied as CMYK to avoid discrepancies by Pantone or RGB colour conversion.

Text:
- All text should be converted to curves/outlines.
